

What does the PAC do for the school?

These are the things that the PAC does to enrich our children's education and overall school experience:

- 50% of the cost of the school planners
- Chromebooks and other materials for technology
- School wide dance program
- May Day outfits
- Year end celebrations for all students including intermediate swim, grade 5 year end trip and Grimston park swim day.
- Money for field trips for each classroom (bus rentals etc)
- Valentine's Day skate at Moody Park Arena
- High school Bursaries for alumni of Connaught
- Prizes for the bicycle parade
- Sports day BBQ
- Hot Lunches
- Movie nights and family nights
- Funding for various activities for each classroom Eg. Butterflies
- Resource teacher and Music teacher classroom supplies
- **Planning and execution of Carnival which raised more than \$8000 last year which then funds the following year.**

We need you to help keep our school strong for our kids. Please join us at the next PAC meeting held the third wednesday of every month.

Next meeting Wednesday, Oct 18th at 6:30pm in the school library.

There is strong evidence that increased parent involvement in the school results in increased student achievement, accomplishment, satisfaction, and bonding all of which result in decreased dropout rates.
