

Train to Become an Education Assistant

with New Westminster Schools

Attend our upcoming information session

Education Assistants work with teachers and other professionals to support students with exceptional learning needs.

Our Education Assistant program includes classroom theory, clinical instruction and practicums in a school.

- Qualified Education Assistants are currently in high demand in school districts including New West Schools.
- Graduates are welcome to apply for a job upon graduation.
- Free English testing is available after the info session.

Offered in partnership with Burnaby Community and Continuing Education
