

# **COMING SOON... POLLINATOR GARDENS IN CONNAUGHT HEIGHTS**

The Parks & Recreation Department in partnership with local community members will be implementing a pollinator garden in the city boulevards at the intersection of London Street and Twenty-second Street.

This is a community volunteer event. So roll up your sleeves, bring your gardening gloves and help us plant the gardens. Snacks and hot lunch will be provided.

## **JOIN US ON THE PLANTING DAY**

### **NOVEMBER 9<sup>th</sup> 9am - 12:30pm**

This project was made possible thanks to contributions from the BC Hydro Grassroots Grant and the Vancouver Foundation.
