- Student is aware of how to administer?..... yes no

Auto-injector locations: _____

Your child's personal information is collected under the authority of the *School Act* and the *Freedom of Information and Protection of Privacy Act*. The Board of Education may use your child's personal information for the purposes of:

- Health, safety, treatment and protection
- Emergency care and response

If you have any questions about the collection of your child's personal information, please contact the school principal directly. By signing this form, you give your consent to the Board of Education to disclose your child's personal information to school staff and persons reasonably expected to have supervisory responsibility of school-age students and preschool-age children participating in early learning programs (as outlined in the *BC Anaphylactic and Child Safety Framework 2007*) for the above purposes. This consent is valid and in effect until it is revoked in writing by you.
